

DEDICATION TO QUALITY MANUFACTURING AND INNOVATIVE DESIGN

PENNY PROPS SERVICE & CERTIFICATION

Macquarie Manufacturing is the authorised repair agent for the Penny Prop product range as distributed by Strata Products Australia.

At our Rathmines facility we are able to service, repair and certify Penny Props to OEM specifications.

Our scope of works for compliance with the OEM's recommended Force Convergence Test is as follows:

- ✦ Issuing of certification number (Initial test only)
- ✦ Replacement of seals
- ✦ Replacement of yield valve
- ✦ Replacement of retraction spring
- ✦ Load testing in our specialised testing cell (Note: If prop fails test, additional repairs may be required and quote will be forwarded, once approved the prop will be repaired and re-tested)
- ✦ Certification of the Penny Prop to OEM specification, inclusive of Test Report and
- ✦ Engineers Certification document.
- ✦ Re-spray
